

rCS is hiring!

Are you a seasoned Site Superintendent with experience working on projects worth \$5-\$10 million? If so, than we want to hear from you!

Not-so-seasoned and experience on smaller projects? We want to hear from you, too!

rCS, one of the most progressive general contractors in the Atlantic Provinces, is recruiting for Site Superintendents for upcoming projects throughout the Atlantic Provinces; **This position will be based out of our St. John's, NL office.**

The **Site Superintendent** is responsible for coordinating all on-site activities. You must have excellent communication and problem-solving skills, experience managing subtrades and suppliers and working with local governing authorities. Also required is a strong background interpreting construction drawings and specifications. The ability to maintain detailed, accurate project documents and to execute work in accordance with established project schedules is critical.

All candidates will be required to promote and maintain the **rCS** safety program "Safety First & Always" at all times. Diploma in carpentry, along with Gold Seal and/or LEED® certification would be considered assets.

The ability to invest the total hours required to deliver projects is a must, as is travel throughout some of the Atlantic Provinces.

Our total compensation package includes a competitive salary, health & dental package, pension plan and more.

If you have a passion for excellence and innovation, please forward your resume immediately quoting job number 201801NLSS-WS to:
