

rCS is hiring!!

Position: Senior Commercial Construction Project Manager

rCS is one of the most progressive general contractors in the Atlantic Provinces, and we're recruiting for a **Senior Project Manager** for upcoming projects throughout the Atlantic provinces.

To be considered for the **Senior Project Manager** role, you must be an effective communicator with excellent knowledge of commercial construction. Project Managers provide leadership to the labour-force to ensure timely completion of all activities and deliverables during the various stages of multi-discipline projects. They are responsible for planning, organizing, directing, controlling and evaluating construction projects of varying complexity according to schedule, specifications and budget. As **Senior Project Manager**, you should be skilled in mentoring and ready to take a lead on projects with key clients. Candidates should have strong negotiation, evaluation and organizational skills, combined with proficiency with Microsoft Office applications. The ideal candidate will possess a combination of construction management training coupled with base building and renovation experience.

Applicants require a minimum of 5- 7 years' project management experience on medium to large commercial construction projects. Familiarity with Jonas Management software would be beneficial. Gold Seal and/or LEED® certification would be considered assets.

The ability to invest the total hours required to deliver projects is a must, as is possible, periodic travel throughout the Atlantic Provinces. All candidates will be required to promote and maintain the rcs safety program "Safety First & Always" at all times.

Our total compensation package includes a competitive salary, group health benefits, registered pension plan with matching program, on-site gym and shower facilities, monthly massages and more.
